

Music

Live musicians providing background music at cocktail receptions, lunches and dinners is always a nice “touch”.

USF College of The Arts student musicians are a perfect fit for your entertainment needs. Note that pay ranges from \$75.00 - \$100.00 per musician, based on a two hour event.

To inquire about availability, contact: Jack Wilkins at: wilkins@usf.edu , (813) 974-4810.

Note: Each musician will need to complete an Independent Contractor Form, which may be obtained by contacting the Foundation Office of Business and Financial Services.

Another option for music at your event is house music or "piped-in" music. Many venues are equipped with built in systems that are compatible to use with Ipods, and iPhones. Downloading music appropriate to your audience and event-type helps to create a welcoming environment.
